

SPECIAL MEMORANDUM

FILE #: F/K/M/T # 10-2024

TO: All Fresno/Kings/Madera/Tulare EMS Providers, Hospitals, First Responders Agencies, and Interested Parties

FROM: Miranda Lewis, M.D., EMS Medical Director
Daniel J. Lynch, Director

DATE: June 11, 2024

SUBJECT: Implementation of Tranexamic Acid in Paramedic Treatment Protocol 530.23 - Trauma

The use of Tranexamic Acid (TXA) has been added to Paramedic Treatment Protocol 530.23 - Trauma. All paramedics in the CCEMSA region are required to complete mandatory training on the use of TXA. This training includes a 30 minute video and a review of the revised trauma protocol. To complete the training, paramedics will be required to pass a test and skill check off which will be coordinated through provider agency PLOs.

Please contact Mato Parker, EMS Coordinator, at (559) 600-3387 if you have any questions.
