Argument in Favor of Measure \_\_

Parlier Unified School District

Everyone knows the importance and value of having high quality schools. From higher achieving students to greater neighborhood safety and increased home values, high quality schools make a difference. While our teachers and staff do their best in educating our children, many classrooms and school facilities at the Parlier Unified School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our children need your **YES vote on Measure \_\_!**

Parlier Unified School District has served our community well for 150 years. However, our schools have grown old and are overdue for repairs. In order to meet 21st-century educational standards, the District needs Measure \_ to improve facilities and help reduce student overcrowding. Your YES vote on Measure \_\_ will ensure a safe, clean, and modern learning environment for children for decades to come.

**Measure \_\_ will provide funding to make critical facility improvements at the District's seven schools by:**

- Repairing or replacing outdated heating, ventilation, and air-conditioning systems
- Constructing new facilities to reduce student overcrowding
- Repairing or replacing leaky roofs
- Modernizing/renovating outdated classrooms, restrooms, and school facilities
- Upgrading P.E. fields and facilities for school and community use

**Measure \_\_ makes financial sense and protects taxpayers.**

- All funds must be spent locally and **cannot be taken by the State**
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee
- Funds can only be spent to improve our schools, not for teacher or administrator salaries

Measure \_ upgrades and renovates old and inadequate classrooms, improves the education of local students, and maintains the quality of our community. That's something we can all support. Please join us and **VOTE YES ON MEASURE \_!**
