## **INTRODUCTION:**

The County of Fresno receives an annual allocation of CDBG grant funds from the federal Department of Housing and Urban Development (HUD). The County makes a portion of these grant funds available to fund public facility and infrastructure improvement activities in its unincorporated communities.

The County’s Department of Public Works and Planning, Community Development Division is responsible for the administration and implementation of all CDBG-funded activities for the County and its participating cities. The application packet for the 2025-2026 Program Year is issued by the County’s Community Development Division. All CDBG funding requests are subject to terms and regulations in accordance with the provisions of Title I of the Housing and Community Development Act of 1974, (the Act) as amended, and the laws of the State of California.

The Community Development Division has issued this Application for grant requests of **\$75,000** up to a maximum of **\$300,000**, for public facility and infrastructure improvement activities to be implemented beginning July 1, 2025. Applications submitted for proposed funding must be for CDBG-eligible activities that are consistent with the County’s 5-year Consolidated Plan for Program Years 2025-2026 and meet one of HUD’s three National Objectives: 1) Benefit primarily low- and moderate- income (LMI) persons; 2) Aid in the prevention or elimination of slums or blight; or 3) Meet a need having a particular urgency (referred to as urgent need) as defined by HUD.

**Only complete applications for funding, submitted on the 2025-2026 application form supplied by the County and included in this packet will be accepted.**

Therefore, review your application proposal carefully, answer all questions and attach all required supporting documentation.
