CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan.

91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Fresno County's Consolidated Plan consists of the Five-Year Strategic Plan and Annual Action Plans. These plans identify the goals and planned uses of Federal funds received from the U.S. Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME) and Emergency Solutions Grant (ESG) programs, as well as other funding sources identified by the County. Other funding sources include supplemental CDBG funding under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), referred to as either CARES Act or CDBG-CV funds. A Consolidated Annual Performance and Evaluation Report (CAPER) is required annually to provide information on the County's use of funds and resulting outcomes and progress toward meeting goals identified in the County's Strategic Plan and Annual Action Plans. This CAPER reports on the use of funds and resulting outcomes for the 2023-2024 Action Plan.

Fresno County is on track to meet its Strategic Plan and Action Plan goals and outcomes, as indicated on Table 1 – Accomplishments – Program Year & Strategic Plan to Date, on the following pages. Several affordable housing development projects and public facility and infrastructure improvement projects, still under construction at program year-end, will be completed and added to these outcomes in the next program year.

The County of Fresno is in the process of updating its housing rehabilitation program, which has been temporarily suspended. The Department of Public Works and Planning (Department) Community Development Division staff have connected with other counties with active housing rehabilitation programs to identify best practices. The Department has executed an agreement for software services to facilitate the housing rehabilitation program and is preparing updated processes, policies, and procedures for the housing rehabilitation program. Resumption of rehabilitation activities is expected to occur in FY 2024-25. The Department is also exploring modifications to its downpayment assistance program to bridge the affordability gap and help low-income homeowners achieve the dream of homeownership. During FY 2023-24, the Department has hired additional staff to support HOME and other housing activities.

Fresno County has leveraged State funding to support emergency shelters throughout Fresno County. Therefore, the Emergency Shelter goal listed on Table 1 - Accomplishments Program Year & Strategic Plan to Date, will likely not be met. However, the County continues to fund emergency shelter and will fund five shelter projects in fiscal year 24-25; as a community, this goal will be met. For Program Year (PY) 23-24, the County was awarded \$279,629 of ESG funds but these funds have not yet been expended. During FY 23-24, the County utilized remaining PY22-23 ESG funds and prioritized State funds

during the year. The PY 23-24 funds will be expended and drawn in FY 24-25.

Fresno County has met or exceeded all of its CARES Act goals and outcomes, as indicated on Table 2, CDBG-CV – Accomplishments. Accomplishments for specific CARES Act funded activities can be found on the Con Plan Goals and Accomplishments report in the Appendix.

The CARES Act substantial amendments identified priorities for the CARES Act funding. These priorities included emergency shelter, fire protection equipment, food assistance, education and outreach, broadband/internet connectivity, homeless activities, and utility assistance. The activities funded by the CARES Act addressed the identified priorities. As funded activities near completion, the County will reallocate any unused funds to activities which address the identified priorities.

Table 3, CDBG-CV - Accomplishments

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Each goal listed in the above chart is indicative of the programs the County implements to address its priorities and specific objectives identified and represents services provided and funding expended over the 5-year strategic plan to-date, but not necessarily funded with ESG or provided during each Program Year. Full information for the ESG program is provided in a separate electronic submission sent directly to HUD as well as provided as an attachment in this report. Although emergency shelter continues to be a high priority within Fresno County, shelters have been funded utilizing State dollars, allowing the county to maximize ESG funding for Rapid Rehousing for chronically homeless individuals in the jurisdiction.

A total of 119 individuals (27 households) were assisted with Rapid Rehousing services during the report period. However, these months supported only a portion of the total months of operation of the project. Due to the funding requirements of such a large project, funding from ESG was utilized to help ensure full funding for the 42-unit project. Each ESG-funded goal listed in the above chart is indicative of the programs the County implements to address its priorities and specific objectives identified in the Consolidated and Annual Action Plans. Each of the ESG-funded activities are identified as having a high priority. An expected program year goal for Emergency Shelter was not listed in the above chart as Emergency shelter was not included in the annual actual plan for PY 23-24.

The CDBG Program allocates funds to participating cities based on the allocation formula used by HUD in determining the County's grant allocation. The Cities' use of funds is subject to the County's verifying that the proposed projects meet a national objective, are eligible under CDBG program guidelines, and are compatible with the Consolidated Plan. Remaining CDBG funds are allocated to meet the priorities identified in the Consolidated Plan. All of the funded CDBG activities are identified in the County's Consolidated Plan as high priorities.

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

For CDBG-funded activities, 3,605 people were assisted. Because the table above does not include all racial categories identified by beneficiaries, not all of those assisted are reflected in the above table. Three persons assisted during the program year identified as Black/African American & White, one person identified as Asian & White, and 700 identified as Other Multi-racial. Of these additional beneficiaries, 689 identified as Hispanic.

For HOME-funded activities two projects were completed. Because the table above does not include all racial categories identified by beneficiaries, not all of those assisted are reflected in the above table. Two persons assisted during the program year identified as Other Multi-racial. Of these additional beneficiaries, one identified as Hispanic.

For ESG-funded activities, a total of 119 persons were assisted during this report period. Full information for the ESG program is provided in a separate electronic submission sent directly to HUD as well as provided as an attachment in this report. The County of Fresno and its partner agencies identify priority needs and offer services to eligible individuals regardless of race or ethnicity. Because the table above does not include all racial categories identified by beneficiaries, not all of those assisted are reflected in the above table. One person assisted during the program year identified as Hispanic/Latina/e/o & American Indian, Alaska Native, or Indigenous, two persons identified as Black, African American, or African & Asian or Asian American, six persons identified as Hispanic/Latina/e/o & Black, African American, or African, and 14 identified as White & Hispanic/Latina/e/o.

The VI-SPDAT, the assessment tool currently used by the FMCoC CES to prioritize matches to homelessness interventions, was found to have inherent racial bias and fails to adequately account for the risk of trauma for those experiencing homelessness. The FMCoC is developing a revised CES prioritization tool with both race/ethnicity, gender identity, medical and other vulnerabilities incorporated. The FMCoC intends to implement a Coordinated Entry Assessment tool that equitably evaluates vulnerability among Black, Native, and Indigenous, Latinx, Asian, Pacific Islander, and other People of Color. This new tool is being developed with funding provided by Housing and Homeless Incentive Project (HHIP) and in partnership with Fresno State Central Valley Health Policy Institute and should be rolled out for the first phase of testing by the end of 2024.

CDBG-CV Narrative

For CDBG-CV funded activities, 10,547 people were assisted with limited-clientele Public Services. Demographic information was not collected, and has been estimated based on the number of persons served in each community, and the demographics of each community.

Table 3 - Resources Made Available

Narrative

The County was awarded CDBG funds of \$3,104,456 for PY 23-24. The County also had \$5,934,153 in prior year CDBG funds and \$450,261 in program income received in PY 23-24. Resources available for the CDBG program in PY 23-24 totaled \$9,488,870. CDBG expenditures during PY 23-24 totaled \$3,463,688.

The County was awarded CDBG-CV funds of \$3,176,888 in prior program years. Prior year expenditures of CDBG-CV funds totaled \$2,887,994. Resources available for the CDBG-CV program in PY 23-24 totaled \$288,894. CDBG-CV expenditures during PY 23-24 totaled \$217,939. The CDBG-CV program is expected to be completed during PY 24-25.

The County was awarded HOME funds of \$1,426,657 for PY 23-24. The County also had \$5,259,399 in prior year HOME funds and \$4,143,487 in program income (of which \$671,679 was received in PY 23-24). Resources available for the HOME program in PY 23-24 totaled \$10,829,543. HOME expenditures during PY 23-24 totaled \$264,928.

The County was awarded HOME-ARP funds of \$4,953,304 in a prior program year. Prior year expenditures of HOME-ARP funds totaled \$8,933. Resources available for the HOME-ARP program in PY 23-24 totaled \$4,944,371. HOME-ARP expenditures during PY 23-24 totaled \$198 in HOME-ARP administration. Remaining HOME-ARP funds at the end of PY 23-24 total \$4,944,173.

The County was awarded ESG funds of \$279,629 for PY 23-24 and has not yet expended these funds. During the reporting period, the County utilized remaining PY 22-23 funds and State funds. The PY 23-24 funds will be expended and drawn in the upcoming year.

Table 4 – Identify the geographic distribution and location of investments

Narrative

Geographic areas were not used as a basis for funding allocation. All activities specifically benefit low- and moderate-income persons, or a presumed beneficiary group, either by serving eligible clientele or eligible areas.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The County's match requirement for HOME is satisfied annually through the County's waiver of recording fees for housing loans under its Homebuyer Assistance Program and Housing Assistance Rehabilitation Program. HOME-funded affordable housing development projects are eligible for a property tax exemption, as provided for in the California Revenue and Taxation Code, which resulted in \$266,333.40 in matching funds.

For the 2023-24 Program Year, a HOME match reduction was applied to jurisdictions determined by HUD to be in discal distress. To be considered fiscally distressed the percentage of County residents living below the poverty level needed to be more than 16.44%, or the per capita income needed to be below \$26,375. The County of Fresno had a per capita income of \$25,432 and 18.28% of persons below the poverty level. Because Fresno County met both criteria, its Program Year 2023-24 Program Year HOME match requirement was reduced by 100%.

The County, Fresno-Madera Continuum of Care (FMCoC), jurisdictional partners, and community stakeholders recognize the importance of a comprehensive approach to leveraging available funding to maximize resources to meet the goals identified in the Consolidated Plan and the Local Homelessness Action Plan. The County and the FMCoC have prioritized increasing the rate that individuals and families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations by strengthening and expanding post-placement retention services throughout Fresno and Madera counties.

The County of Fresno continually looks for ways to leverage homeless dollars most effectively and efficiently. Whenever possible, various funding sources are leveraged to increase the term of a program, increase its capacity, or provide complementary services. As a result, match for ESG services will be provided with Homeless Housing, Assistance and Prevention (HHAP) funding. As the Administrative Entity for HHAP funding on behalf of the Fresno Madera Continuum of Care, the County utilized \$230,660.25 of HHAP-1 (CoC and County) that funded the WestCare Rapid Rehousing during FY 23-24 as Match for PY 2022 HUD ESG that was also used during the FY 23-24.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The County is anticipated to meet its Affordable Housing Development, Homebuyer Assistance and Owner-Occupied Rehabilitation goals for the entire five-year Consolidated Plan period. The County did not meet its affordable housing annual goals identified in its Annual Action Plan, but does intend to meet its five-year Consolidated Plan period goal for Affordable Housing Development, Owner-Occupied Rehabilitation goals, and its Homebuyer Assistance goals.

Fresno County experienced employee turnover during the current reporting period, which resulted in the temporary suspension of the County's housing rehabilitation and homebuyer assistance programs. The Department of Public Works and Planning (Department) Community Development staff have connected with other counties with active housing rehabilitation and homebuyer assistance programs to identify best practices. The Department has executed an agreement for software services to facilitate these programs and is preparing updated processes, policies and procedures to allow for these programs to be active in program year 2023-24.

Discuss how these outcomes will impact future annual action plans.

Fresno County has active projects which will result in the construction of 33 HOME rental housing units and 8 HOME homeownership housing units. One of these projects has completed construction and final close-out will be completed in program year 24-25. Three projects are currently under construction and are scheduled to be completed in program year 24-25. Once complete, these four projects will allow the County to meet its five-year Consolidated Plan goals for Affordable Housing Development.

In order to meet its five-year Consolidated Plan goals for Owner-Occupied Rehabilitation and Homebuyer Assistance, Fresno County needs to rehabilitate 12 homeowner housing units and provide direct financial assistance to seven homebuyers during the final two program years of the Consolidated Plan. These programs will be active in program year 24-25. The County will be expanding its marketing efforts to increase the number of applications to these programs, to meet its five-year Consolidated Plan goals.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Narrative Information

“Worst case” housing needs are defined by HUD as “renters with incomes at or below half of the area median income that do not receive rental assistance and pay more than half their income for housing, live in severely substandard housing, or both”. The County’s efforts to assist this population were through its Affordable Housing Development program, which used Federal HOME funds and State Permanent Local Housing Allocation (PLHA) funds to assist developers with the construction or preservation of rental housing affordable to very low to low-income persons.

New affordable rental housing development projects that are currently under construction assisted with County HOME-funds have also been issued tax credits as part of the financing mechanism. The tax credit requirements carry more restrictive income and rent limits than HOME. Tax credit/HOME-assisted rental units have rent and income restrictions to ensure the units are affordable to people at or below 60% of area median income. The County continues to serve the extremely low- and low-income households through HOME-assisted affordable housing development projects.

The County ensures that all the affordable rental housing development projects funded with HOME or CDBG met the accessibility standards established in the American Disabilities Act (ADA) and HUD Section 504 to provide units available for the elderly and disabled. The County completed final project close-out of a 47-unit senior housing development which includes 11 HOME-funded units, and a 67-unit single family housing development which includes 10 HOME-funded units.

Additional active HOME-funded affordable housing projects include a 48-unit rental housing development which includes 11 HOME-funded units and an eight-unit single family housing development, with eight HOME-funded units, which has completed construction and will be reported in the 24-25 CAPER. The County has also provided PLHA funds for the acquisition and rehabilitation of a 60-unit multi-family farm labor housing development.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The jurisdiction has an active multi-disciplinary outreach team coordinated through the Fresno Madera Continuum of Care (FMCoC). Various agencies provide staff to perform outreach activities throughout the community. With the continued improvement of the Coordinated Entry System and the intentional coordination of outreach, the FMCoC expanded outreach into rural communities in Fresno County and created a more coordinated outreach system. With continued engagement, the individual needs of clients are better identified and prioritized when being matched to a housing program. Although this approach may take more time, it helps to identify the appropriate housing and as a result, clients are more likely to be successful in staying permanently housed. Additionally, Housing and Homeless Incentive Program (HHIP) funds, awarded to provide street navigation, further expand services in the community.

Addressing the emergency shelter and transitional housing needs of homeless persons

The County, in partnership with the FMCoC, provides emergency shelter for clients while they secure permanent housing. With this partnership, two triage center emergency shelters continue to provide their services in the community with the utilization of various State and COVID homeless funding. These emergency shelters are low barrier, allowing more people to easily access services and provide wraparound services including navigation, rebuilding their support network and addressing the issues that led to the episode of homelessness. The FMCoC has adopted the triage model for emergency shelters in the community, ensuring that more of clients in emergency shelter have the same opportunities for assistance. For shelters not following the triage model, outside navigation staff are able to easily locate clients who are in the process of moving into housing, as well as keep the clients in a safe environment during their transition to permanent housing. Additionally, the County is working with CalAIM partners in these shelters to connect clients to services for additional support, to ensure clients have the best opportunities to exit to permanent housing and maximize the funding available to reach a greater number of households in need.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Additional mainstream resources were provided by the Department of Social Services through CalFresh, CalWORKs, Medi-Cal, General Relief, and various other programs including:

- Family Unification Program - A partnership between the Fresno Housing Authority and the Department of Social Services to provide Housing Choice Vouchers (HCV) to low-income families whose need for housing prevents the reunification of the family and to former foster youth who are unstably housed.
- Transitional Housing Program Plus – A State funded program to provide 24 months of housing and ancillary services for former foster youth to prevent homelessness.
- Sierra Terrace and Monte Vista Terrace - A partnership between the Fresno Housing Authority and DSS to provide project-based rapid rehousing services, at two different locations in the community, to assist families involved with DSS programs who are homeless or precariously housed. All households were linked with additional housing programs to assist in obtaining permanent housing.
- Bringing Families Home – A partnership with Centro La Familia to reduce the number of families in the child welfare system experiencing homelessness or at risk of homelessness by providing rapid rehousing financial assistance and housing relocation and stabilization services.
- Emergency Rental Assistance Program (ERAP) - This program provides direct financial assistance to households that are unable to pay rent or utilities due to economic impacts of COVID-19. Households must be at or under 80% of the Area Median Income (AMI) for their household size, have lost income due directly or indirectly to the coronavirus outbreak, and demonstrate a risk of experiencing homelessness or housing instability.
- California Advancing and Innovating Medi-Cal (CalAIM) / Housing and Homeless Incentive Program (HHIP) Enhanced Care Management – A partnership between the FMCoC Coordinated Entry System, CalAIM/HHIP providers and the local managed care plans wherein clients are connected to enhanced care management and financial support to prepare for and find permanent housing.

These programs provided a safety net to help low-income individuals obtain housing. With the efficient coordination of agencies and programs in the FMCoC, additional services were also available to those at risk of homelessness in the community through other member agencies.

Additionally, mental health services are available through the Fresno County Department of Behavioral Health. Fresno County Department of Behavioral Health, in partnership with Fresno Housing Authority, oversees and administer permanent supportive housing projects for persons experiencing homelessness in need of mental health and other supportive services.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals

and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The partnerships within the FMCoC membership and other organizations allow service providers to coordinate efforts to assist those experiencing homelessness make the transition to permanent housing as quickly as possible and remain permanently housed. The jurisdictions within the area including the FMCoC, the County of Fresno, the City of Fresno, and the County of Madera plan and coordinate services to fill funding gaps, identify bottlenecks in the system, and make improvements in the local continuum of services.

Both HHAP and HHIP funding were awarded to projects for landlord engagement to help increase inventory for low-income families in crisis. Additionally, several Homekey projects previously awarded in the community wherein motels were converted to emergency shelter and then ultimately permanent housing are now undergoing renovation and will result in additional permanent housing available for the community, including low-income and permanent supportive housing.

The County previously leveraged 165 units of permanent housing obtained through the purchase and renovation of a local motel with State Homekey funding. Crossroads Village is currently in the process of conversion from interim housing to permanent housing. The conversion of the 165 units will result in approximately 141 new residential units, which will include 51 studios, 43-one bedrooms, 39 two-bedrooms, and 8-three bedrooms. These units will be available to individuals and families experiencing homelessness at or below 30% of the Area Median Income (AMI) of Fresno County.

In the coming year, HHAP funding will continue to be utilized to connect families and youth experiencing homelessness to existing social services in the community ensuring efficient case management and the best resources are afforded to each household, based on their individual needs. As the County and Continuum of Care work to leverage CalAIM resources, homeless services providers are encouraged to become CalAIM certified and partner with certified organizations to secure resources for the homeless beyond current available funding.

The County administers State allocations for homeless services programs specifically geared for Adult Protective Services clients, CalWORKs families, Child Welfare families, and the disabled; and multiple State homeless grants, serving as the Administrative Entity for the FMCoC for Homeless Housing, Assistance and Prevention (HHAP) funding. The County of Fresno coordinates all available funding to maximize resources to meet the goals of the County and partner jurisdictions.

Specifically, the Housing and Disability Advocacy Program (HDAP) provides rapid rehousing case management and rental assistance, as well as disability advocacy services to chronically homeless individuals. This program, contracted through WestCare California, provides services to enable disabled individuals experiencing a housing crisis to move toward a secure, consistent income as well as permanent housing.

The County will utilize Housing Disability and Advocacy Program (HDAP) funding to provide advocacy and legal assistance in coordination with ESG rental assistance and case management to chronically homeless individuals in need of housing and disability advocacy to end homelessness.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

Public housing within Fresno is administered by the Housing Authority of Fresno County (HAFC). The County coordinates with HAFC and shares information about their respective programs. HAFC receives an allocation from HUD, including an allocation through the Capital Fund program. The Capital Fund program is used to repair, renovate and/or modernize the public housing developments and their physical inventory.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

HAFC's Resident Advisory Board (RAB) meets at least annually to review any changes to HAFC admissions policies. Two public housing residents sit on the Board of Commissioners for HAFC. The residents are able to make comments before the Board of Commissioners and their comments are solicited for all major policy changes.

HAFC participated in a homeownership program in previous years where over 200 foreclosed homes were renovated and sold to low-income residents and other individuals. There were five (5) homes remaining in Sanger under the old homeownership program approved by HUD for conversion to the Section 32 program during the 23-24 year. Staff is working towards minor renovations to prepare the properties for sale.

HAFC refers families inquiring about homeownership to HUD approved Local Housing Counseling agencies to pre-purchase housing counseling and financial management workshops.

The HAFC Resident Empowerment team works with local programs to offer workshops on financial literacy - with emphasis on budgeting and implementation of a family savings plan – to interested families who live in subsidized housing. Families are referred to resources regarding credit counseling and other homeownership ready workshops in the community as needed.

Actions taken to provide assistance to troubled PHAs

Not applicable. The HAFC is not designated as troubled.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The barriers to accessing affordable housing faced most often by low-income persons are availability, housing cost, and personal credit. To mitigate these barriers, the County has continued to offer its Affordable Housing Programs, which include a variety of options for low to moderate-income persons to access and/or maintain affordable, safe and decent housing.

To address the availability and housing cost barriers for both renters and homebuyers during the last program year, the County continued to invest its Federal HOME funds in the development of affordable housing development for both rental units and single-family housing. The County also waived fees for recording legal documents related to its Affordable Housing Programs.

Additionally, the County implemented a new Mobilehome Park Program (MPP), which gives priority funding for mobile home park applications received in July and August of each program year. The funds are to be utilized for the development of affordable mobile home parks, or the preservation of affordable mobile home parks by conversion to ownership or control by resident organizations, nonprofit housing sponsors or local public agencies.

Personal credit issues that can hinder a family's ability to access decent and affordable housing are addressed through the County's continued partnerships with various credit counseling and homebuyer education agencies such as the Community Housing Council's Housing Resource Center.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The County continues to partner with private developers to meet the housing needs of the underserved. During the 2023-2024 program year the County completed final project close-out of a 47-unit senior housing development which includes 11 HOME-funded units, and a 67-unit single family housing development which includes 10 HOME-funded units. A third project completed construction of eight single-family residences but final close-out did not occur in program year 23-24, and this project will be reported in the 24-25 CAPER.

The County continued to address the obstacles of meeting the needs of the underserved through its partnerships and collaborative efforts to combat homelessness and encourage homeownership by actively participating in the Fresno Madera Continuum of Care (FMCoC).

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

County staff continue to refer properties that are not assisted through HUD-funded programs to the Fresno County Department of Public Health's (DPH) Lead Hazard Control Program to reduce the identified lead-based paint hazards in pre-1978 homes where low-income families reside. The DPH Lead Hazard Control Program was awarded another HUD Lead Hazard Control grant of \$3 million in November of 2021 to remediate identified lead-based paint hazards in 133 pre-1978 homes where low-income families with resident or visiting children under the age of six (6) years reside.

During program year 2023-2024, the DPH conducted approximately 125 pre-visual inspections and 119 lead-based paint inspections/risk assessments. Since November 2021 lead abatement or remediation has been completed on 98 homes; 19 homes were completed in program year 23-24, and an additional 16 homes are currently under contract. During this time, DPH posted Lead Hazard information on social media, including on the Facebook page "Healthy Fresno County." Staff also attended health fairs and distributed information to local agencies, public libraries, stores, and community centers.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The County of Fresno continues to actively support countywide economic development efforts through partnerships with local government, economic development and non-profit agencies to implement strategies to reduce poverty through increased employment and economic development opportunities. The County partners include the Yosemite/Sequoia Resource Conservation & Development Council, Fresno County Economic Opportunities Commission (FCEOC), Chambers of Commerce, Fresno County Farm Bureau, Fresno Regional Workforce Development Board (WIB) and the Fresno County Economic Development Corporation (Fresno EDC) serving Fresno County. Through these partnerships, the County of Fresno works to increase employment, generate economic development opportunities, and retain and enhance current business and industry.

Fresno County's ongoing strategy to reduce the number of poverty-level families is included in the County's Comprehensive Economic Development Strategy (CEDS) approved on May 2, 2017, last updated in 2020. This strategy is based on seven regional economic development goals: 1. Job Creation; 2. Economic Diversification; 3. Workforce Training; 4. Infrastructure; 5. Sustainable Agricultural Production; 6. Position as Regional Economic Development Hub; and 7. Strengthening Connections between Needs and Resources.

The CEDS is prepared and administered by Fresno EDC, a public/private nonprofit organization established to market Fresno County as the premier location for business prosperity. Fresno EDC's New Employment Opportunities program works with Fresno County's Department of Social Services to offer employee recruitment, screening and training for employers who hire Welfare-to-Work clients. This program also includes wage reimbursement of up to 100% to such employers to incentivize the use of this program. Related programs administered by Fresno EDC are the New Employment Credit (NEC), Work Opportunity Tax Credit (WOTC), and the Employment Training Panel (ETP). These programs are

available to qualified employers hiring qualifying Fresno County residents.

During the 22-23 program year, Fresno EDC also received a grant from the U.S. Economic Development Administration to provide training, hiring, and job placement support in four regionally significant industries: Professional and Financial Services; Transportation, Distribution, and Logistics; Manufacturing; Building and Construction. While this grant is still in the planning stages, it is expected to the training and placement of approximately 2,500 people in jobs in these industries.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The County's institutional structure has continued to work well within the organization established by the Fresno County Board of Supervisors, which created the delivery system currently employed and described in the Consolidated Plan. The current delivery system requires that several County internal departments and citizen advisory groups work together in order to provide the necessary services. At this time all the citizen advisory groups, internal departments and divisions are aware of their responsibilities and meet established requirements. In addition, the County has developed procedural manuals to assist management and staff. The manuals are updated periodically as needed.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The County's Department of Social Services (DSS) administers the ESG program as approved by the Fresno County Board of Supervisors. DSS collaborates closely with public and private housing and social services agencies, facilitated by the FMCoC, which has participants from housing agencies as well as health clinics, veterans' associations, and school districts.

The FMCoC participates in the Built-for-Zero (BFZ) initiative with Community Solutions. The BFZ team consists of members from the County, the City of Fresno, the HMIS Lead, the Coordinated Entry Sub-Committee Chair and Co-Chair, and representatives from programs who support veterans and victims of domestic violence. The team goals from the past year included a focused review of the System Performance Measure Outcome Goals to identify specific benchmarks to move the needle toward reaching functional zero in the community. Goals for the coming year include specific time-driven challenges to move households from the streets or shelter to permanent housing and to track and share best practices in this regard for a systemic improvement in service delivery. Plans also include integrating CalAIM/HHIP programs into the Coordinated Entry System to enable prioritization and HMIS tracking.

The Chair of the FMCoC Board of Directors is a DSS Division Chief and has participated in the FMCoC since its inception. DSS administers funding for homeless services from both State and Federal sources, including ESG, CalWORKs Housing Support Program, Bringing Families Home, Home Safe, Housing Disability and Advocacy Program, California Emergency Solutions and Housing (CESH) and Homeless Housing, Assistance and Prevention Program (HHAP). These programs are all thoughtfully integrated

into the continuum of services across the jurisdiction. This enables the CoC to ensure the most appropriate utilization of funds while identifying and filling gaps in services. Plans are presented to the FMCoC for consideration, comment and approval as appropriate and funds are available for use across the community. The County continues to work with the FMCoC, City of Fresno, and Madera County to coordinate efforts and resources to meet the needs of underserved populations and the homeless of Fresno County and the partner jurisdictions.

In the coming year, DSS staff will continue to receive training on HMIS and Access Site services as many of the services are being brought in-house and all available resources are being coordinated for individuals and families presenting at the Department in housing crisis.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The County is in the process of updating its 6th Cycle Housing Element, to incorporate as part of the County's General Plan. As part of that program the County is preparing its Affirmatively Furthering Fair Housing Analysis (AFFHA) to be in compliance with State requirements. The County will use the completed AFFHA to prepare an updated Analysis of Impediments to Fair Housing Choice for review and approval by HUD.

In the County's continuing efforts to further fair housing choice, resources are focused on eliminating or reducing the impediments identified below:

Accessibility and Affordability:

Actions to address accessibility and affordability include the County's Rental Rehabilitation Program, which funds improvements to maintain safe, decent and affordable rental housing. Another action is the County's continuing partnership with developers of affordable housing to add additional units. The County has two active HOME-funded affordable rental housing projects, one of which has completed construction and is in the process of being closed. On completion, these projects will create 95 new rental housing units. The County also anticipates funding at least one additional affordable housing project in the next fiscal year.

The County also has two active projects that will build affordable single-family homes for sale to low-income residents, one of which has completed construction and is in the process of being closed. On completion, these projects will create 75 new homeowner housing units, of which 18 are HOME-assisted. Without the County's funds, these families would most likely not be able to access the financial resources to complete the purchase of their first home.

Education:

In order to assist housing applicants in making informed decisions, persons requesting assistance under

the County's Homebuyer Assistance Program (HAP) and Housing Assistance Rehabilitation Program (HARP) are required to complete a 16-hour homeownership-education training program. The program provides the participant information regarding credit, budgeting, realtors, appraisal, home inspection, and a hands-on session on basic home repairs.

The County is in the process of contracting with the Fair Housing Council of Central California to provide additional training to area lenders and developers regarding fair housing laws and policies.

Language/Public Policy:

The County makes every effort to provide material in the language of the intended population. Since Fresno County has a large Hispanic population (>50%), the County provides marketing materials in both English and Spanish. All noticed public hearings are published in local newspapers in both English and Spanish. At this time, there has not been a significant request for material in other languages. All public meetings are held in ADA compliant structures.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

In addition to following HUD-provided guidelines and manuals governing the Federal grants, the County's monitoring standards and procedures are contained in its own procedural manuals developed to implement the delivery of the CDBG and HOME programs. These manuals are periodically reviewed and updated as needed to ensure consistent project and program monitoring and compliance with program requirements, including minority business outreach and the comprehensive planning requirements.

The County monitors all Affordable Housing Program clients annually to ensure compliance with HUD regulations. There are approximately 800 active loans in the County's loan portfolio funded primarily through CDBG and HOME. Each individual client is annually contacted by mail and asked to verify occupancy and housing condition. The County may also perform onsite monitoring visits when deemed necessary. The County maintains an active database of all of its affordable housing loans, so that the terms of the loans can be appropriately monitored.

The County's large multi-unit affordable housing development projects are also monitored during the affordability period. The County requests and receives information from each project's representatives (owner, non-profit, and property management company), which is evaluated by staff for consistency with program requirements and HUD regulations. Staff then visits each complex and evaluates tenant files to verify lease appropriateness and tenant income eligibility. Rents paid are also compared with HOME Program rent and utility allowances for compliance.

Additionally, for the housing development projects, Fresno County's monitoring during the affordability period includes a review of each development's Management Plan including tenant selection, participation, and grievance policies and the Affirmative Fair Housing Marketing Plan. Staff also inspects the finances to compare with the management agreement and interviews onsite managers for resident complaints. Finally, County rehabilitation staff inspects selected HOME units and the grounds to determine need for repair, and then monitors any necessary work identified to ensure appropriate completion.

Additional narrative: Standards and procedures used to monitor activities

The County maintains a CDBG Program Manual that contains the procedures the County uses to monitor community development public facility and infrastructure improvement projects. These capital projects are monitored closely by staff throughout the process for development appropriateness and labor compliance, including site visits. The County has also developed a Risk Analysis and Subrecipient

Monitoring Procedures Manual per HUD guidelines, which is used to monitor subrecipients. The County markets programs in all eligible communities, including in-person outreach to business districts serving low-income neighborhoods. The County also partners with area economic development providers and community organizations for business outreach including a focus on women and minority owned businesses. The County conducts minority business outreach as a regular part of its affordable housing programs. County staff meet periodically with area contractors regarding participating in the County's Housing Assistance Rehabilitation Program and has had success in working with many minority-owned businesses. Additionally, information regarding minority-owned businesses is monitored and recorded as part of the County's labor compliance monitoring for affordable housing development and public facility and infrastructure improvement projects. Finally, the County's Citizen Participation Plan, which describes the process for citizen involvement in the selection of activities to be funded under CDBG, HOME and ESG, contains procedures that are followed to ensure compliance with the requirements of the programs involved, and details the County's comprehensive planning requirements and procedures. The Citizen Participation Plan, approved by the County Board of Supervisors, is updated periodically to reflect County and HUD-mandated changes.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Pursuant to HUD public noticing requirements, the CAPER has been made available for public review and comment for a 15 day period. Public notice of the comment period was published in the Business Journal in both English and Spanish. The draft CAPER is available on the County's website at <http://www.fresnocountyca.gov/grants> and at the main branch of the County public library in downtown Fresno during the public review period. Copies are also available at the Community Development Division office for review. Copies of the public notices will be included in the Appendix. Every effort is being made to broaden public participation, especially for hard-to-reach audiences, such as minorities and non-English speaking persons, as well as persons with disabilities.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction’s program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

No changes were made to the County of Fresno program objectives, nor are any changes to program objectives anticipated at this time. Any future changes would be made following the process described in the adopted Citizens Participation Plan.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

CR-50 - HOME 24 CFR 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

On-site inspections for Fresno County's HOME-funded affordable rental housing developments are required every three years. Fresno County conducted on-site inspections for all HOME-funded affordable rental housing developments during the period of affordability in the 21-22 program year. No on-site inspections were required or conducted during the 23-24 program year.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

All multi-family affordable housing projects' affirmative marketing plans are submitted and reviewed concurrently with on-site monitoring. During the 21-22 program year, the County's assessment determined that all the projects are making the necessary efforts in affirmatively marketing the HOME units. The majority of the projects have a waiting list, and current marketing efforts will not be fully realized for a number of years due to low vacancy rates.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

The following table lists all of the projects that were funded with HOME Program Income in 2023-24. A total of \$62,610.95 of HOME Program Income was expended on four projects, including two HOME Administration activities. The owner and tenant characteristics are included in the table below. Of the non-HOME Administration projects, one project is currently under construction and one project completed construction and demographic information for the beneficiaries will be reported in the PY 24-25 CAPER. Beneficiary information for these projects is reported as N/A.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

The County administers three affordable housing programs: The Homebuyer Assistance Program (HAP); the Housing Assistance Rehabilitation Program (HARP); and the Affordable Housing Development Program (AHD), to foster and maintain the affordable housing stock in Fresno County. The Rental Rehabilitation Program is a part of the Housing Assistance Rehabilitation Program. Fresno County experienced employee turnover during the current reporting period, which resulted in the temporary suspension of the County's housing rehabilitation and homebuyer assistance programs. These programs will be active in PY 2024-25.

The County's Homebuyer Assistance Program fosters homeownership by providing downpayment assistance loans to low and moderate-income first-time homebuyers. The County's Housing Assistance Rehabilitation Program helps preserve and maintain the current housing stock by providing loans to low and moderate-income homeowner occupants to rehabilitate and improve the conditions of single-family homes. The Affordable Housing Development Program increases the current housing stock of rental units by providing gap financing for the construction of new low-income affordable rental units and maintains the current affordable housing stock through the provision of gap financing loans for the rehabilitation of older rental units.

The County's Mobilehome Park Program (MPP) was implemented July 1, 2022. The MPP gives funding priority to mobile home applications received annually in July and August. The program is administered under the Affordable Housing Development Program. The intention of the program is to encourage the development or preservation of affordable mobile home parks and the conversion of existing mobile home parks to resident-owned cooperatives or to ownership by non-profit organizations. The County received inquiries during the application period but did not receive any applications under the MPP during the 23-24 program year.

Additionally, the construction of single-family homes for sale is funded under the Affordable Housing Development program, providing construction financing to developers to build single-family homes for sale to families earning less than 80% AMI. A portion of the construction funds are provided to the buyers as downpayment assistance, resulting in affordable mortgage payments.

Table 15 – Qualitative Efforts - Number of Activities by Program

Narrative

Nine CDBG-funded activities subject to Section 3 reporting were open during the program year. Six activities were not complete, and will be reported on in future CAPERs. Three CDBG-funded activities subject to Section 3 reporting completed construction during PY 23-24. Two of the projects did not generate new hires, and no existing employees on these two projects qualified as Section 3 employees. Qualitative efforts are shown on Table 16 - Qualitative Efforts - Number of Activities by Program.

24-Month Grant Expenditure Deadline

All of the recipient's grant must be expended for eligible activity costs within 24 months after the date HUD signs the grant agreement with the recipient. Expenditure means either an actual cash disbursement for a direct charge for a good or service or an indirect cost or the accrual of a direct charge for a good or service or an indirect cost. This report uses draws in IDIS to measure expenditures. HUD allocated Fiscal Year 2011 ESG funds in two allocations. For FY2011, this Obligation Date is the date of the first allocation. This report does not list the Obligation Date, does not calculate the Expenditure Deadline, and does not track the Days Remaining for the FY 2011 second allocation.

Grant Amount: \$279,629.00

60% Cap on Emergency Shelter and Street Outreach

The cap refers to the total amount of the recipient's fiscal year grant, allowed for emergency shelter and street outreach activities, is capped at 60 percent. This amount cannot exceed the greater of: (1) 60% of the overall grant for the year; or, (2) the amount of Fiscal Year 2010 ESG funds committed for homeless assistance activities. (Note: the HESG-CV grants are currently exempt from the 60% funding cap restrictions.)

 Did you create additional shelter beds/units through an ESG-funded conversion project **No**

Data Participation Information

Are there any funded projects, except HMIS or Admin, which are not listed on the Project Links and Uploads form? This includes projects in the HMIS and from VSP **No**

Step 5: Project Outcomes

Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 5 on screen AP-90: "Describe performance standards for evaluating ESG."

When determining the effectiveness of the services provided with ESG, the following performance standards are reviewed:

1. The number of homeless families and individuals from the FMCoC Point in Time Count.
2. The number of individuals and families permanently housed.
3. The number of individuals and families who retain housing.
4. The capacity utilization rate for the emergency shelter.

The County of Fresno, in partnership with the FMCoC, will be reviewing the performance standards during the year and may change or add performance standards in order to fully assess whether the services provided are meeting the needs of the homeless.

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. *If they are not measurable as written type in N/A as the answer.*

The Rapid Rehousing program at Monte Vista serviced 119 persons (35 households); 12 persons were exited into permanent housing.

2. Briefly describe what you did not meet and why. *If they are not measurable as written type in N/A as the answer.*

Capacity utilization for emergency shelter was not relevant as emergency shelter was not funded with ESG for this report period.

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? *If they were measurable and you answered above type in N/A as the answer.*

The standards identified will be evaluated for future reports and aligned with funded activities. Although housing retention is a critical measure, it is not readily available in HMIS. The County is working with providers to ensure this data is captured for future project years.
