

NOTICE OF INTENT

The Fresno County Department of Public Works and Planning (Department) intends issue a Notice to Bidders and hold an upcoming bid opening for the following project:

ELKHORN RECHARGE FACILITY**CONTRACT NUMBER 24-03-C**

The work to be done consists, in general, of the construction of an approximately sixty-acre recharge basin and stockpile area at the site including basin excavation, compacted stockpile placement, placement of excess basin material, conveyance channel excavation, cast-in-place and precast concrete structures, furnishing and installing slides gates, propeller meters, rubber gasketed reinforced concrete pipe (RGRCP), County road crossing, and all other miscellaneous items to complete the work described in the Plans and Specifications to provide for a fully functioning recharge basin. This preliminary notice is being sent out with the intent of giving prior notice to Contractors due to the short advertising and award window.

Any firms interested in information regarding this project can sign up to be a planholder at:

<https://www.fresnocountyca.gov/Departments/Public-Works-and-Planning/Construction-Bidding-Opportunities/Request-to-Be-Added-to-the-Planholders-List-Form>

Preliminary Plans and Specifications have been posted to the project website:

<https://www.fresnocountyca.gov/Departments/Public-Works-and-Planning/Construction-Bidding-Opportunities/24-03-C-Elkhorn-Recharge-Facility>

This project is funded by the American Rescue Plan Act (ARPA) and is subject to the contracting requirements and implementing regulations as amended in Title 13, Section 2449 General Requirements for In-Use Off-Road Diesel-Fueled Fleets, of the California Code of Regulations (13 CCR § 2449(i)). It is also subject to compliance monitoring and enforcement by the Department of Industrial Relations. Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates in the county, or counties, in which the work is to be done have been determined by the Director of the California Department of Industrial Relations.

No contract will be awarded to a contractor who has not been licensed in accordance with the provisions of the Contractors State License Law, California Business and Professions Code, Division 3, Chapter 9, as amended, or whose bid is not on the proposal form included in the contract document. A valid California Contractor's License, **Class A (General Engineering) or C-12 (Earthwork and Paving)**, is required for this project.

If you have any questions about this project, fill out a Request for Clarification:
