NARRATIVE

County Service Area 43 (CSA 43) was authorized the extended power of community water services through a LAFCo public hearing conducted on October 17, 2001. Subsequently, on May 14, 2002, the Board of Supervisors authorized the addition of water service to CSA 43.

CSA 43W has 68 water service accounts, including one for the Raisin City Elementary School, a water fountain located in the Raisin City Park, and a service for the Raisin City baseball facility.

PROPOSITION 218

In FY 13-14 through a rate adjustment procedure, the Board of Supervisors established increased fees for capital replacement and repair costs such as booster pumps, well pumps, and hydro tank and water tank maintenance. Staff is planning to conduct a rate adjustment procedure in FY 24-25 to account for increased operations and maintenance costs.

Grants

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$2,000,000 to CSA 43W for well site improvements. SLFRF will fund the design, engineering, planning, environmental review, right-of-way easements, construction, and permitting costs for a new groundwater well site that is necessary to maintain adequate service levels, improve drinking water capacity, and provide adequate fire flow within the community.
