NARRATIVE

County Service Area 44 (CSA 44) was formed in 1992 to provide street lighting to the community of Friant. CSA 44 was previously administered as the Friant Highway Lighting District. There are 223 parcels in CSA 44 of which 133 are currently developed. Five parcels were consolidated in FY 2004-05. An additional three parcels were consolidated in FY 2019-20.

ANNUAL CHARGE FOR SERVICE

Street lighting provides a benefit for inhabitants of a community by making nighttime travel safer as they move by foot, bicycle or vehicle within the community. The lighting also provides a benefit through general security. All owners of developed properties share these benefits regardless of zoning or use of their property. The owners of developed property should, therefore, equally share the cost of the service.

Vacant property owners would not benefit from the service since they would not normally be in the area after dark and the lighting would provide little, if any, benefit for security reasons. Therefore, they are excluded from the charge for service.
