Fresno City College

Hello Foster Student Supporters,

Please share this information with high school foster students and their supporters. The **Annual Access to Higher Education Event** will be on **Friday, December 13<sup>th</sup> from 10:00 am to 2:00 pm at the West Fresno Center**, Fresno City College. Students can reach out to their district liaisons and counselors to register and join us for an exciting opportunity to explore the Fresno City Community college vocational programs! Students will discover hands-on training in fields like healthcare, technology, and skilled trades. Students will meet instructors, tour facilities, and learn how they can jumpstart their career right after high school. This is a chance for our high school foster youth to find their passion and set themselves on the path to success!

To do:

- Share the attached flyer with students and foster supporters
- Students should reach out to their school counselors to determine who their district foster liaison is and find out how to register for the event.

If you have any questions about the event, please contact Amanda Meeker [ameeker@fcoe.org](mailto:ameeker@fcoe.org) or contact our office at 559-265-4003.
